20th Limited Edition Tree Ornaments!

Our 20th limited edition tree ornament honors the Baytown-LaPorte Tunnel which served the connecting towns well for 42 years. The Tunnel opened in 1953, replacing the Morgan's Point Ferry. In 1995, with the opening of the Fred Hartman Bridge, the Tunnel was closed to vehicular traffic. Its demolition began in 1997 in order for the U.S. Army Corps of Engineers to deepen the Houston Ship Channel in 1998.

A sketch, taken from an original photo, of the Tunnel is depicted in shades of red, blue, black, gray, and white on a beautiful 3 ¼ inch satin red glass ball ornament.

This beautiful keepsake ornament is sells for \$13 and can be purchase at Sissy's Country at Heart, 622 Morrell Street in Baytown. If you prefer or live out of town, we will be happy to mail yours to you for \$3.25 (per ornament).

Your purchase of these beautiful ornaments will benefit the restoration projects at the Republic of Texas Plaza Park. Collect them for yourself or give as gifts to family and friends. We produced only a limited quantity of these ornaments, so don't miss out and order yours today!

Thank you for supporting the Baytown Historical Preservation Association's preservation efforts. If you have any questions, please call 281.421.2099 or email us at info@baytownhistory.org.
