

Reserve Your 2019 Limited Edition Tree Ornaments!

Our 2019 limited edition tree ornament will honor the 1936 Baytown Post Office located at 3508 Market Street. The post office, now known as Station A, will be depicted on a beautiful 3 ¼ inch satin blue glass ornament in shades of white, tan, green, dark brown, and terra cotta red.

This quaint post office with its bookend towers was originally more than just a place to buy stamps and take care of the mail. Regulated and funded by the Federal Government, the post office was a facility in charge of sorting, processing, and delivering mail to recipients. In addition to P.O. Box distribution and delivery services, it also provided other services including passport applications, applications for social security cards, and registration for military draft services. Prior to home mail delivery, the post office was also a social setting of sorts when people came into town to pick up their mail and would visit with others who happened to be there at the same time.

This keepsake ornament will sell for \$13; however, we are offering a **discount price of \$12** if preordered **by July 1**. You will be notified when the ornaments arrive in late July so you can pick yours up at Sissy's Country at Heart, 622 Morrell Street in Baytown.
