2020 Limited Edition Tree Ornaments Arriving in July!

This year's limited edition tree ornament features an iconic view of the Battleship TEXAS in shades of gray, blue, red, green, and yellow on a frost white glass ball measuring 3 ¼ inches round. A brief history of the ship will be printed on the backside of the ornament.

The USS TEXAS (BB-35), commissioned on March 12, 1914, is the last surviving dreadnought and the only battleship still in existence that served in both World War I and World War II.

After 34 years of valiantly serving her country, the old "T" came home to retire in peace. On San Jacinto Day, April 21, 1948, the TEXAS was decommissioned, presented to the state of Texas, recommissioned as the flagship of the Texas Navy, and dedicated as a permanent memorial museum at the San Jacinto Battleground.

We thought it appropriate to honor this grand old lady who will soon be leaving her berth of 72 years, where so many of us created fond memories climbing aboard her.
