

2025 Limited Edition Tree Ornament to feature the Decker Drive-In Theatre!

Although the drive-in theater's heyday is long gone, it will always hold a nostalgic place in the hearts of Baby Boomers who grew up in and around Baytown. With children dressed in pajamas, parents would load them into the car and head to the Decker Drive-In Theatre to watch a movie under the stars from the comfort of their vehicle. For teenagers, the theater became a popular venue for date nights, and boys often sneaked friends into the trunks of their cars to avoid paying admission, though their efforts were not always successful.

Taken from a circa 1949 photo, the Decker Drive-In Theatre will be depicted in shades of black, white, red, and burnt sienna on a 3-¼ inch round satin beige glass ball.
